

Centcom Family Day Picnic

by Robert Taylor

On Wednesday October 12, 2016 at CINCOM in Tampa, Florida, the Velvet Crème Doughnut & Coffee Company out of Miami, Florida supplied the families and troops with over 2400 dozen glazed doughnuts. (29,000 doughnuts).

This family day was attended by 3000 members of the Central Command Coalition, a coalition that represents 67 member countries.

We would like to thank the companies who made this contribution possible, International Cargo for providing storage and logistics, Inxpress Freight Forwarding for delivering the doughnuts to MacDill Air Force in Tampa, Florida, Caspers Inc. for storing the doughnuts until distribution and of course we could not have done this with the help of "Support The Troops" out of Wesley Chapel, Florida.

The Velvet Crème Coffee & Doughnut Company is proud and honored to support our troops and law enforcement officers who risk their lives everyday to protect us and our freedom.
